**Dear Sir / Madam,**

We are happy to announce this international conference on *Contemporary Discourses in Humanities and Commerce* for academic scholars, researchers and policy makers with different backgrounds to present paper, debate and discuss their research, their ideas and research results as well as challenges and/or the solutions to the present-day issues. The aim of this conference is to create a platform for networking, sharing, publishing and nurturing the potential growth of individual scholar around the globe

### CONCEPT NOTE:

The term 'discourse' has been used in the academic disciplines to define, explain and understand the problems in their respective fields of study. Discourse constitutes not only the world, but also all forms of knowledge and truth. Discourse generates truth or what some have called truth-effects. Certain discourses in certain contexts have the power to convince people to accept statements as true. Discourse produces Ideas, Concepts, Ideology, knowledge and truth. Thus, to discuss and understand the contemporary discourses, we have resolved to organize an international level conference on the foregoing theme.
